

Ultimate Immune Support Support for Individuals affected by fatigue

DESCRIPTION

Ultimate Immune Support, is a synergistic and comprehensive combination of vitamins, minerals, herbals, and other nutrients, carefully formulated and specifically designed to support and boost the function of the body's defenses against the stresses imposed by fatigue.

FUNCTIONS

Studies show that a high percentage of adults in North America and other developed countries eat less than the minimum daily allowance of 10 or more essential nutrients. Adequate amounts and proper balance of these nutrients are needed not only for maintaining good health, but also for the dietary management of the body's structure as well as the optimum functioning of its various systems, including the hormonal and neuromuscular systems. Ultimate Immune Support has been carefully developed to contain the right proportions of vitamins, minerals, trace elements, and other nutrients without danger of toxic build-up or other side effects. Each ingredient is selected in consideration of its absorbability, competitive relationship with other nutrients, allergenic potential, and long-term safety. Certain nutrients such as beta-carotene, vitamin C, vitamin E and Bcomplex vitamins are included in high-potency amounts because of the vital roles they play in antioxidant protection, energy production and the maintenance of healthy blood cells, the nervous system, hormonal balance, and more. Minerals and trace elements are provided in their safest and most bioavailable forms. Ultimate Immune Support contains not only a base formula that offers intensive support for the healthy functioning of the body in general, but also a blend of herbs and additional nutrients specifically formulated to offer additional fortification of the body's defenses against the stresses imposed by fatigue. Research suggests that immune enhancing herbs, such as Echinacea, Shiitake mushroom, and Astragalus, as well as those that support adrenal function, such as licorice, may support the body's immune function that can often be compromised when fatigued. Chamomile may help to reduce the mental stress experienced during periods of decreased immune function.

INDICATIONS

Ultimate Immune Support tablets may be a useful dietary supplement for those who wish to boost their body's defenses against the stresses imposed by fatigue.

4 Tablets Contain

Vitamin A (17% as Vitamin A.....	30,000 IU
Palmitate/83% [25,000 IU]	
as Beta-Carotene)	
Vitamin C (Ascorbic Acid)	1000 mg
Vitamin D-3	50 IU
Vitamin E (as Vitamin E Succinate)	
Thiamine (as Thiamine HCl)	50 mg
Riboflavin	25 mg
Niacin/Niacinamide	120 mg
Vitamin B-6 (as Pyridoxine HCl/.....	25 mg
Pyridoxal-5-Phosphate Complex)	
Folic Acid	800 mcg
Vitamin B-12 (on Ion Exchange Resin).....	100 mcg
Biotin	300 mcg
Pantothenic Acid	150 mg
(as d-Calcium Pantothenate)	
Calcium (from Calcium.....	300 mg
Citrate/Ascorbate Complex)	
Magnesium (from Magnesium	300 mg
Aspartate/Ascorbate Complex)	
Zinc (from Zinc Aspartate Complex)	20 mg
Selenium (Organic Selenium from.....	200 mcg
Krebs† Cycle and Kelp)	
Copper (from Copper Amino	2 mg
Acid Chelate)	
Manganese (from Manganese	15 mg
Aspartate Complex)	

Chromium (Organically bound with.....GTF activity-low allergenicity)	200 mcg
Molybdenum(from Molybdenum Krebs†)	50 mcg
Potassium (from PotassiumAspartate Complex)	75 mg
Choline (from Choline Citrate/Bitartrate).....	20 mg
Inositol.....	25 mg
Citrus Bioflavonoid Complex.....	100 mg
PABA (para-Aminobenzoic Acid)	50 mg
Vanadium (from Vanadium Krebs†).....	25 mcg
Boron (from BoronAspartate/Citrate Complex)	1 mg
Trace Elements (from Sea Vegetation).....	100 mcg
C.F.S. Support Proprietary Blend	500 mg
Golden Seal (root), Echinacea angustifolia (root), Echinacea purpurea (root), Shiitake mushroom (mycelium) (Lentinus edodes), Chamomile (flower) (German), Burdock (root) (Arctium lappa), Licorice (root) (Glycyrrhiza glabra), Betaine HCl, Ligusticum porteri (root), Radix astragalus (root), Lomatium dissectum (root), Malic Acid, Magnesium Hydroxide, Raw Adrenal Concentrate (bovine), Raw Thymus Concentrate (bovine), N-Acetyl-L-Cysteine/L-Cysteine HCl, L-Methionine, and Glutamic Acid HCl	

SUGGESTED USE

Adults take 4 Tablets daily with meals or as directed by physician.

SIDE EFFECTS

No adverse side effects have been reported.

STORAGE

Store in a cool, dry place, away from direct light. Keep out of reach of children.
